2011 CTSA SCHEDULE SPECS:

In case you didn't notice, this WATERLOG is devoted solely to the CTSA's schedule for 2011. Though the Icebreaker Dinner and Discussion is listed, it is, as they say, 'water under the bridge.' That leaves seven (count em', 7!) events for the remainder of the season...We've got a race, a cruise and fireworks, a picnic, a raft-up and race, a rendezvous and race, another race and, finally, our season ending Icemaker Dinner and Awards Ceremony. They will ALL be here before you know it and we hope that this schedule will help you get these events 'locked-in' on your sailing calendars. What follows are brief descriptions of these events. As each draws closer, we'll get a WATERLOG out with more details regarding each sailing/dining activity. Until then, Happy Sailing!...

2011 MEMBERSHIP DIRECTORY IN PRODUCTION--IMAGES NEEDED!!!

Paul Miller (dawnpaulmiller@comcast.net) and I are commencing work on a **2011 CTSA Membership Directory!** This directory will include details about each member (i.e.-name, contact info, boat details, etc.); much like the one that was sent out couple of years ago...**BUT, WE ARE NOW INCLUDING PICS!!!**

That said, we have a limited library of photos to chose from. It would greatly appreciated it if you could send an electronic image to paul or me (patty@sheaworthington.com) at your earliest convenience so that we can get this publication out in a timely manner. If you don't have a pic or can't send electronically or via snail mail; no worries, we'll insert a 'placeholder' image.

Please don't hesitate to contact either of us should you have questions or concerns.

Thanks much, Paul and Patty
