### **DINNER MEETINGS SPECS:**

We hope everyone can make it! Tradition rules--Our meetings continue to be an affair you won't want to miss! Rumor has it there will be a healthy discussion of the *Recreation on the Bay* exhibit and/or *How to Design a Maritime Museum*. But, if that doesn't happen, there will still be an abundance of boat and sea stories exchanged amongst vibrant conversation, philosophizing and prognosticating. Plenty of great food and drinks will be on hand. **After dinner, we'll have our Awards Presentation (for the OLD SALT, DEAN WORCESTER and THREE LIGHTS Races) and Annual Meeting with "elections."**

As tradition calls for, we'll have our usual potluck--**Bring a dish to share:** hors d'oeuvres, salads, vegetables, desserts, etc. The Association provides turkey and ham, drinks (all sorts) and mess gear. As of this writing, the treasury is in good shape; hence, there will be no charge for dinner expenses. **Annual Dues will, however, be accepted for 2012--STILL JUST \$15.**

## **WRITTEN DIRECTIONS to Annual Fall Meeting**
